

“The contest saw a steady flow of participants throughout the day.”

Tech Club organized a gaming competition during the WCAS INTERCOLLEGE FEST 2017 on 2nd, 3rd and 4th of May, 2017. Students from several institutions registered to take part in this fun and competitive event to utilize their passion towards gaming and win prizes. The contests consisted of FIFA 2017 1-on-1 tournament and Call of Duty 1-on-1 tournament. All of these challenges were readily accepted by the students and the contest saw a steady flow of participants throughout the day. Winners were given mementos with the college fest logo and position inscribed.
