Audio **Mixing**

Tech Club organized an audio mixing competition during the WCAS INTERCOLLEGE FEST 2017 on 2nd May, 2017. Two students from our college registered to take part in this competitive event to utilize their showcase their talents. The objective of the competition was to preview talents in the field of sound mixing. Winners were given mementos with the college fest logo and position inscribed.

**Results:**

Winner – Aakash Fofindi

Runner Up – Parvati and team

Wahga College of Arts and Science
