The Department of English and General Foundation Program of Waljat College of Applied Sciences hosted its first Symposium titled “Approaches and Challenges of ELT in GFP- SACELT 2017” at its premises on 14 December 2017. The main objective of the symposium was to provide an opportunity to the foundation teachers to share their views, opinions and ideas on the challenges, and how to overcome the challenges faced by English language teachers and students during the foundation course.

Four presenters and 30 participants from ten colleges of the region shared their views in interactive sessions on diverse topics such as standardized assessments, lesson planning, effectiveness of CALL in English class, and reading techniques.

Overall the symposium provided an impressive platform to the teachers to learn about innovative approaches and educate themselves about the challenges and solutions of ELT in GFP.
