

TECHFEST 2018

@

COLLEGE OF APPLIED SCIENCES, IBRI

BE Computer Science & Engg students bagged second position in Programming and Data Modelling competitions which were part of the TECHFEST-2018 held at College of Applied Sciences, Ibri.

CONTEST	POSITION	PARTICIPANTS
Data Modelling	II	Urvashi Kishnani M. Srinidhi
Programming	II	Aviral Goel Basma Zubair Saima Maryam

There were two teams from WCAS who participated in the programming contest in which Aviral Goel (IV semester), Basma Zubair (VI semester) and Saima Maryam (VI semester) were in one team and Debashish Halder (VI semester), Mathew Skariah (VI semester) and Nikhil Sunil (VI semester) were in the other. The ranks of the teams were 2nd and 4th respectively.

One team participated for data modelling and the participants were M. Srinidhi and Urvashi Kishnani from VIII semester. They won second prize in the competition.

For technical quiz, Kevin Jacob Thomas and Rahul Vijay from VI semester took part. They got the fourth rank with close competition with the top three.

All the competitions had about 10 teams which participated and the students of WCAS performed their best during the contest. They were thankful to the Dean – Dr. S.L.Gupta, Assistant Dean (Academics)- Dr. Alok Kushwaha and Head of Academic support services- Dr. P. Vijaya for their continuous support and encouragement in exhibiting the best of their skills.
