8th Technical Gathering Middle East College

Students from final year in Engineering participated in 8th Technical Gathering held at Middle East College on 4th April 2017. The event commenced with Project Presentation followed by various competitions.

Two teams from department of Electronics and Communication Engineering participated for Project Presentation. Janvi Paresh Sheth, Harsh Choithramani, Jeena Jessy Kunjumon and Bhavana Vemulamanda displayed their project entitled 'An Implementation of Tri-Functional Automated System for Colleges' for which they bagged the 3rd place, whereas, Mohammed Ubaid, Manoj Kumar, Mohammed Suhail and Alaa Shahlan displayed their project entitled 'RFID Based Attendance System Using Database'.

Avinash Gopal, Madabhushi Srinidhi and Urvashi Kishnani from department of Computer Science and Engineering bagged 2nd position in Web Page Design Competition where they had to design a webpage using HTML and JavaScript. The Mini Hackathon competition consisted of four stages: PC Assembly, Guess the Word, Written Quiz and Puzzle Assembly. Avinash Gopal, Madabhushi Srinidhi and Urvashi Kishnani participated as a team and bagged 3rd position. Furthermore, Janvi Paresh Sheth and Manoj Kumar also participated as a team for the same.

The event gave exposure to students for participating in a variety of events, against students from various colleges in Oman.
