The department of English / General Foundation Program organized an industrial visit for the students of Foundation Program on Wednesday, 7th March 2018.

The department of English / General Foundation Program organized an industrial visit for the students of Foundation Program on Wednesday, 7th March 2018. The students of Level 2, Sections A & B (45 students) visited Oman textile Mills. Mr. Hamid Al Habsi and Mr. Roby Varghese accompanied them. The objective was to give a kind of exposure to students regarding industry environment. The HR Manager and other authorities welcomed us to the company. Mr. Mohammed Ibrahim Al Balushi, HR Manager gave a brief introduction of the company and the process of making different kinds of fabric. He told the students the process of manufacturing textile such as converting fiber into yarn and yarn into fabric; how the fabric is dyed or printed and made into clothes.

After the introduction, the students were divided into two groups. Each team was given two guides to take them around the company and explain the various processes of manufacturing fabrics. The students saw the machines and their working and how products are made.

The visit gave the students a first time experience regarding the industry. They could understand the process of making clothes. Overall, it was an enriching experience for the students and accompanying faculty members as well. The students expressed a feeling of satisfaction after the visit.
