WCAS Faculty attends TESOL Conference

The first TESOL Conference held at Middle East College on 29th March 2018 was attended Mr. Roby Varghese, Head, Department of English and Ms. Lakshmi Joseph, Associate Lecturer, Dept. of English, Waljat College of Applied Sciences. As a part of collaboration with other HEIs, Mr. Roby Varghese chaired a few sessions as well.

The Conference titled “English in Changing Local and International Contexts’ provided an avenue for ELT professionals and TESOL fraternity as a whole, to pool the thoughts and concerns of this fraternity and figure out realistic solutions to augment the effectiveness of the existing teaching and learning process. The conference focused on the importance of Technology being used as an effective tool in day to day English classrooms. Presenters from different parts of the world conducted sessions on Teaching Vocabulary, Grammar, Revising Curriculum, etc. It was a good platform for research scholars and English Teachers in sharing their views and ideas. It immensely helped the participants in learning different teaching techniques in improving Language teaching inside classrooms, specially in this digital world, where teachers need to be updated with growing technology and advancement.
